Ford inviterer til TikTok-konkurrence hos Ford-forhandlerne

Vis os dine bedste moves og vind en danse-workshop med de to professionelle dansere Danial Lappé og Rebekka Bjerre, når Ford i efterårsferien slår dørene op for den sejeste TikTok-konkurrence hos en række af vores Ford-forhandlere.

Dansegulvet er gjort klar, så du kan give den maks gas til den officielle Mustang Mach-E sang 'Super Bad' med James Brown. Du deltager automatisk i konkurrencen ved at hashtagge #Mustang MachEMoves, når du deler videoen af dine bedste groovy moves på TikTok.

Hop derfor ned og besøg en af vores Ford-forhandlere i løbet af uge 42 og deltag i konkurrencen om at vinde en plads på en eftertragtet danseworkshop med seje Danial Lappé (@ItsDanne) og Rebekka Bjerre (@rebeccakbjerre). Det bliver både funky og crazy!

Vi glæder os til at se dine vildeste Mustang Mach-E moves!

About Ford Motor Company

Ford Motor Company is a global company based in Dearborn, Michigan, that is committed to helping build a better world, where every person is free to move and pursue their dreams. The company's Ford+ plan for growth and value creation combines existing strengths, new capabilities and always-on relationships with customers to enrich experiences for and deepen the loyalty of those customers. Ford designs, manufactures, markets and services a full line of connected, increasingly electrified passenger and commercial vehicles: Ford trucks, utility vehicles, vans and cars, and Lincoln luxury vehicles. The company is pursuing leadership positions in electrification, connected vehicle services and mobility solutions, including self-driving technology, and provides financial services through Ford Motor Credit Company. Ford employs about 186,000 people worldwide. More information about the company, its products and Ford Motor Credit Company is available at corporate.ford.com.

Ford of Europe is responsible for producing, selling and servicing Ford brand vehicles in 50 individual markets and employs approximately 43,000 employees at its wholly owned facilities and consolidated joint ventures and approximately 55,000 people when unconsolidated businesses are included. In addition to Ford Motor Credit Company, Ford Europe operations include Ford Customer Service Division and 14 manufacturing facilities (10 wholly owned facilities and four unconsolidated joint venture facilities). The first Ford cars were shipped to Europe in 1903 – the same year Ford Motor Company was founded. European production started in 1911.
