Ford Motor Companys udmelding om COVID-19

Hos Ford Motor Company tager vi vores samfundsansvar med at reducere spredningen af COVID-19 alvorligt – både på globalt og dansk plan. Sikkerheden for vores medarbejdere, forhandlere, kunder, leverandører og øvrige samarbejdspartnere er vores højeste prioritet i en tid som denne.

I forbindelse med den skærpede verdenssituation og myndighedernes anbefalinger har Ford Motor Company per 16. marts 2020 derfor på både globalt og dansk plan besluttet at hjemsende langt størstedelen af alle medarbejdere, så vi fremadrettet i videst mulig udstrækning arbejder

hjemmefra. Der vil være undtagelser for medarbejdere, der varetager forretningskritiske opgaver eller opgaver, der ikke kan udføres hjemmefra. Beslutningen herom vil gælde, indtil andet bliver oplyst.

Ford Motor Company monitorerer situationen meget tæt og opdaterer løbende medarbejdere og interessenter.

About Ford Motor Company

Ford Motor Company is a global company based in Dearborn, Michigan. The company designs, manufactures, markets and services a full line of Ford cars, trucks, SUVs, electrified vehicles and Lincoln luxury vehicles, provides financial services through Ford Motor Credit Company and is pursuing leadership positions in electrification, autonomous vehicles and mobility solutions. Ford employs approximately 191,000 people worldwide. For more information regarding Ford, its products and Ford Motor Credit Company, please visit www.corporate.ford.com.

Ford of Europe is responsible for producing, selling and servicing Ford brand vehicles in 50 individual markets and employs approximately 47,000 employees at its wholly owned facilities and consolidated joint ventures and approximately 62,000 people when unconsolidated businesses are included. In addition to Ford Motor Credit Company, Ford Europe operations include Ford Customer Service

Division and 19 manufacturing facilities (12 wholly owned facilities and seven unconsolidated joint venture facilities). The first Ford cars were shipped to Europe in 1903 – the same year Ford Motor Company was founded. European production started in 1911.
